

Fieldstone Owners Association
Pool and Pool Common Area Rules
April 2012

Pool and Pool Common Area Hours 8 AM TO 9 PM

Introduction:

The use of the Fieldstone pool and pool areas is a privilege for those who own or rent units within the Fieldstone Association properties. Living in a community association carries with it certain responsibilities including following the rules and regulations set forth by the Board of Directors.

The Fieldstone Pool and Pool Common Area Rules have been approved by the Fieldstone Board. If all who are entitled to use the pool abide by the rules, each of us in our community can enjoy our facility safely.

Please read these Pool Rules carefully. Be sure your family, guests and tenants fully understand and follow them. If you have questions, please contact the Fieldstone Board of Directors (contact information on Bulletin Board and on our website, www.fieldstonemurphys.com.)

NO LIFEGUARD IS ON DUTY! Lifeguard service is not provided at any time. *Anyone using the recreational facilities shall do so at their own risk, responsibility and liability. It is recommended that individuals do not use the facilities alone.* The ‘buddy’ system is recommended for all swimmers at all times.

Reporting

A Resident may write a description of the violation to Board of Directors via mail or email. The complainant must provide the reporting party’s name, name or address of the rule offender, the date, time, rule violated, and location.

The pool attendant or any Fieldstone representative may report the violation to the Board of Directors.
